

CORNELL CLUB RELAY GAMES ATHLETIC EVENT OF NEXT MONTH

Interscholastic League Selects Officials and All is in Readiness for the Second Annual Meet — Six Schools Stated to Enter Contest and Teams Will Be Chosen Not Later Than February 28 — Several New Decisions Will Govern

By HOWARD D. CASE.

Less than two weeks remain for the athletes of the interscholastic league to finish their training in preparation for the second annual Cornell Club relay games, scheduled to be held at Kamehameha field on the afternoon of March 7, under the auspices of the Cornell Club of Honolulu. The Cornell Club relay games and the Amateur Athletic Union meet are the big annual athletic events of which this city now boasts, and it is evident that the former, inaugurated last year for the purpose of encouraging a greater interest in clean sport and in Cornell University, will be even a greater success this year, if the present outlook may be taken as a basis of opinion.

Six schools, members of the interscholastic league, have signified their intention of entering the meet this year; namely, the College of Hawaii, Oahu College, McKinley High School, Kamehameha, Mills School and St. Louis College. The athletes of these institutions are working out each evening, but it is not expected that the teams will be chosen until a few days before February 28, at which time the names of entries must be handed in. Aside from the appointment of the several teams, everything practically is in readiness for the meeting and, at a recent meeting of the executive committee of the interscholastic league, the following officials were selected:

The Officials and Events.
Referee—Chester Hunn.
Clerk of the Course—Dr. A. L. Andrews.
Starter—Fred W. Lau.
Marshal—W. R. Chilton.
Announcer—J. A. Anderson.
Field Judges—J. L. Hopwood, William Williamson, Albert Horner and R. C. Reeve.
Finish Judges—Ashford Austin, Lorin Andrews, Glenn E. Jackson and J. H. Piddes.

Timekeepers—Prof. C. F. Schmutzler, Ben Hollinger and A. E. Larimer.
Inspectors—Paul Super, A. H. Tarleton, C. T. Pitts, C. H. Loomis, W. H. Richards, Edward Tracy, A. T. Longley, E. B. Blanchard and Prof. A. R. Keller.

The several events will come in the order named:

100 yards, trials.
Pole vault.
One mile relay.
Broad jump.
220-yard hurdles.
Shot put.
Four mile relay.
100 yards, finals.
High jump.
Two mile relay.
One-half mile relay.

In the relay, first place will count 10 points; second place, 6 points; third place, 4 points; and fourth place, 2 points. In the single events, first place will count 5 points; second place, 3 points; third place, 2 points; and fourth place, 1 point. The team winning the greatest number of points in the meet receives the Cornell cup, now held by Kamehameha, that school having won it last year.

Some New Rulings.
Acting upon the advice of "Jack"

Moakley, trainer of the Cornell University athletic teams, recently sought by the local Cornell people, it has been decided that the relay races this year will be run under a slightly new ruling. The new ruling is that when the runners reach a point on the track 100 yards from the finish or touch line, a distinctive flag will be placed at the touch or finish line to indicate in what lane the respective runners shall finish. By this plan, the next man to run will know his exact position on the track, thus avoiding the usual mix-up. A runner may take the pole before he enters this 100-yard limit providing he is six feet ahead of his nearest competitor; that is to say, if he is not within the 100-yard limit. Other flags will be placed to indicate the lanes of the succeeding runners. In the one-half mile relay the zone in which the runner will be obliged to keep his specified lane will be 60 yards in length.

Regarding Entries.
Regarding the entries in the meet, it has been decided that a man may enter but one relay race. This decision necessitates the entering of 16 men from each school. A man may enter as many individual events as he may care to. It also has been decided that all competitors must report to the judges after the finish of each race in order that their numbers and names may be confirmed. Trainers and handlers will be required to keep away from the men at the start and at the finish of all events. All competitors must report to the clerk of the course before the meeting begins and note the taking of the name, number and distinction badge of each. No coaching by those inside the track will be allowed at any time.

The foregoing rulings are in accordance with the national athletic rules of 1913. On all relays, there will be but one drawing for positions on the track, and that shall determine the positions of the entries in the four relays in the following manner:

For instance, if Punahou gets the pole in the one-mile relay, the first event in this class, McKinley second and St. Louis third, in the four-mile relay, the second event of the class, McKinley will have first place, St. Louis second and the other schools will follow in order, while Punahou will drop back to sixth place. In the two-mile relay they will move up one in a similar manner, thus giving each school an equal chance and going away with a drawing for each relay.

Order of Events Changed.
Upon the advice of the Cornell committee, the order of events for the 1914 meet has been changed from that of last year. Last year the 220-yard hurdles event came after the pole vault and the mile run after the broad jump. These two have been interchanged this year, from the fact that some of those who go into the 100 yards might enter the hurdles and not the one mile relay, which would give them a little time to rest up.

The meeting will be held at Kamehameha field on the afternoon of March 7, and will begin promptly at 2:30 o'clock.

JOE WOODS 'COMES BACK' FOLLOWING OPERATION

TWINLAKES, Pa., Feb. 22. — Joe Woods, famous pitcher of the Boston Red Sox baseball team, winners of the world's series of 1912 was operated on here this afternoon for appendicitis.

The operation proved a successful one and the attending physicians report that Woods will be able to resume his duties on the ball field with the team next season.

1ST INFANTRY WINS FROM 4TH CAVALRY

In an exciting game of baseball at Athletic park yesterday morning, the 1st Infantry put one over on the 4th Cavalry by piling up nine runs to the latter aggregation's eight. The game was interesting right up until the end and was well attended.

If they desire. This official will be known as "field judge."

Other changes penalize for five yards a team whose player or players are out of bounds when the ball is snapped, on first offense, instead of second, as heretofore, and make it obligatory for the team losing the toss to kick off when the winners elect to defend a given goal. Also the definition of roughing the fullback was clarified.

The appointment of the following members to the central board of officials was announced: J. A. Babbitt, chairman; Walter Camp, C. W. Savage, Parke Davis, E. K. Hall, Percy Houghton, H. G. Cope and A. A. Stagg.

PORTUGUESE WIN FAST GAME FROM VALLEY ISLAND

Portuguese 6, Maui 3.
The first of the two exhibition games that were played yesterday afternoon as added attractions of the Carnival baseball series went to the local team after a fast and interesting game that was played in 1 hour and 10 minutes. There was plenty of hitting, and plenty of sharp fielding to keep the fans on edge, and there was no drag to spoil their appreciation of the long, and hard-fought contest that was to follow.

Ball pitched for Maui, with young De Rego behind the bat. Watch that boy when he gets a bit more weight, and some added experience. Yesterday he showed that he is a real ball player. Bushnell did the heaving for the Portuguese, and got away with seven hits off his delivery, which, however, were bunched, five frames being blank.

Maui started to count in the first, when A. Robinson was safe on short's error, and went to second on Williamson's misplaying of F. Robinson's bouncer. The first runner was out, catcher to third, Foster going to second on the throw. Kaleo flied to center, and Foster scored a moment later on a hit to center by De Rego. English hit to center and Bal fanned. One run.

The Portuguese scored two in the second. Willis was given life on short's error, and went down the line on a wild pitch, scoring a moment later on La Mere's single to right. La Mere going to second on the throw-in. Fitzer sacrificed. J. Ornelas flied to center, but M. Ornelas singled, scoring La Mere. Souza flied to center.

La Mere again crossed the rubber in the fourth, when he singled, was advanced on Fitzer's sacrifice, and scored on Fitzer's sacrifice, and scored on Fitzer's sacrifice.

Maui stock went up again in the sixth. A. Robinson was safe on third's misplay, F. Robinson flied to left, and Kaleo beat out a bunt. De Rego forced Alvin at third, and Souza threw wild to first to catch De Rego, the latter going to second, and Kaleo to third. Meyer, batting for English, singled to left, scoring both runners.

Cockett, running for Meyer, stole second, but was out, catcher to third. The seventh decided the game for the home talent. With one gone Souza singled to right, and went to third on Bushnell's two-bagger to the same garden. Joe Ornelas walked, and then Williamson connected for a terrific double to center, scoring Souza and Bushnell. Williamson was caught, third to second, on Willis' hit, J. Ornelas scoring. La Mere was out, pitcher to first. Three runs.

WHIRLWIND FINISH IN THE NINTH WITH TWO OUT TIES OAHU-CHINESE BALL GAME

Chinese 8, Oahu 8 (12 innings).

A great game of in and out baseball was the closing of yesterday's doubleheader at Athletic Park. Coming up from behind, when two men had been retired and one was on the paths, the Oahus, with B. Joy in the box, overcame a three-run lead and forged to the front by sending four men across the pan by timely hitting. With the game grabbed from them just as they were about to lay it on ice, and chalk up another in the win column, the Chinese went out for one more desperate effort, and in the last half of the ninth pulled En Sue around the circuit, by his own brilliant base running, and a couple of errors. Both sides got men on the paths in every one of the three extra innings, and when Umpire Stanton called the game on account of darkness, it was still an open question as to which was the better team. It was one of those whirlwind finishes that come rarely in baseball, and there are a number of fans who are kicking themselves today for being in too much of a hurry to get home. A dozen autos chugged through the gate, and several hundred spectators made for the exits when the Chinese retired two men in the ninth, and as a result the game was finished with a third of the crowd standing in left field and in front of the right bleachers. Some of Oahu players had given the game up and decamped to the dressing rooms, and the hurry call sent in by Manager Desha for men whose turn it was to bat, brought to light a procession of surprised players in various stages of disarray. Moriyama forgot to put his shirt on, and was sent back for that article of uniform by Umpire Stanton. Barney Joy was one of those who received the hurry call, and he came back on the field accompanied by his valet, who was putting the finishing touches on the costume.

Johnson Saves Day.
A pinch hitter who can really pinch turned up in Johnson, a recruit to Desha's outfit. He was shoved in to bat for Ah Toon, and a nicely placed one to right, that was just barely on fair ground, tied up the score.

When the ninth opened, the score was 7 to 4 in favor of the Sam Hopers, who had showed four across in the seventh, on a comedy of errors plus three hits. The first man at bat was Moriyama, who fanned. Kuaili fumbled Bushnell's grounder, but when En Sue gathered in Joy's fly to center it looked to be all over but the shouting, with not much of that to be expected, and the big fellow made a bee line from first base to the dressing room. Eddie Fernandez came through with a long hit to left, going to second on the throw to third that arrived too late to nail Bushnell. Kuaili made good with a hit to left that scored both men ahead of him, and when he took second on a passed ball it became apparent that the game wasn't over by a jugful. White was the next batter, and he waited Apau out, taking his base on a fourth ball that almost beamed him. Then it was that Dave Desha crossed Ah Toon off the list, and sent Johnson into the batter's box. Mr. Johnson was considerably flustered, and no wonder. He let perfect strike go by him, and then almost offered at one that was three feet wide. Then he found his batting eye, and a low fly over the first baseman's head and too far in for the fielder to get was the result. Kuaili scoring. Desha delivered the goods with a single to left, and that was too much for Mr. Kau, who resigned in favor of Foster Robinson, brother Alvin going into right in his place. Foster celebrated his ascendancy to the mound of honor by allowing another hit, off Asam's bat. It was a long one to right, and should have scored Johnson, but the latter had glory enough for one inning, and after a moment of fatal hesitation between third and home, he was nailed at the plate for the third out.

A General Shift.
With their catcher out of the game the Oahus were up against it, and a shift became necessary. Moriyama came in from center to catch. White came in to second, Kuaili shifted to third, Asam went to center, and Johnson filled in at right. En Sue was the first man up for the opposition, and he laid down a beautiful bunt and burned up the path beating it out. He went down to second like a rifle bullet, which proved to be a wasted effort, as the next man, Apau, worked Joy for a pass. Albert Akana had instructions to bunt, and struck out. Then on a poor throw to third, En Sue scored, and the game was tied up again. Lai Tin fanned.

In the tenth the Oahus got the second man up to first, but he was forced, and then a long fly into En Sue's flypaper glove retired the side. The Chinese had two men on and one out in their half, but an out, short to first, that started with two gone. The third Oahu man to face Foster, again the redoubtable Mr. Johnson, drew a pass, and when Dave Desha repeated with another hit, it looked like a score. Billy Williams was substituted for Asam, and although he sent the ball bounding between first and second, Markham gathered it in for a force.

The Chinese followed custom by waiting for the two out sign before making their move. Then Albert Akana and Lai Tin gathered singles. Lang Akana took some mighty swipes at the ball, but was retired. Joy to Fernandez. The first man up, Moriyama, was the only Oahuan to see a base in the twelfth, and he had to stop a pitched ball to get to first. The Chinese, with the usual two out, got F. Robinson to first on White's bobble, and A. Robinson did the brother act with a hit. En Sue fanned, and Umpire Stanton gave the nothing doing signal and walked off the field.

The early innings, while interesting enough to make a story about on ordinary occasions, paled into insignificance in comparison to the fireworks that closed the show. A sharp two-bagger by Joy scored a run in the first, and in the third the Chinese made it one and one. Two Chinese runs came across in the fourth, and in the seventh, three hits, a sacrifice fly, and no less than six rank errors gave the Orientals another four. The Oahus touched Apau for two hits in the seventh, and two in the eighth, each inning being good for a single run.

Apau was shy his usual control and passed seven men. Joy, on the other hand, was very steady, and issued only one free ride in the 12 innings.

A feature of the afternoon was that both Foster Robinson and Bushnell played in the first game, the latter pitching, so that they performed for 21 innings each, which is some astronomical ball. Bushnell was never better than in the second game, covering a world of ground and handling many hard chances to perfection.

**ASAHIS AND MAUIS
THE BASEBALL CARD
FOR THIS AFTERNOON**

The Asahis make their second appearance in the inter-island series this afternoon, playing against the Maui team. The Japanese players have been standing still at the top of the column for a week, having taken the opening game from Hawaii.

In the present series it has been necessary to give the teams from the outside islands as many games as possible during the week, so that they could play off their schedule and return home. This week the local clubs will be at it, and it will not be until March 22 that the carnival series closes. After today, there will be no baseball until Saturday, when the Asahis will play the Punahous.

Sometimes this reversion was for only three days or even for only one day, but usually in long terms the last year was retained. Out of this came the popular notion that the law provided this distrust, and hence leases were made for 99 or 999 years, for any such odd period of time.

C. MORIYAMA AND EN SUE WIN EVENTS IN BASEBALL FIELD DAY

A baseball field day, the events being throwing for second for accuracy, and circling the bases, was pulled off at Athletic Park yesterday between games, and proved a popular feature with the crowd.

Most of the players took a crack at throwing a pitched ball to second, at a disc over the bag, and as every man was given three throws it took some time to decide the winner. C. Moriyama and Bushnell tied with one bullseye each, and in the throw-off, the former hit the target again, and was declared the winner.

Circling the bases, after bunting, brought out only six entries, En Sue being the winner in 14 2-5 seconds. Williamson was second, a fifth of a second worse. The other entries were Lai Tin, 15 1-5; Dwyer, 15 2-5; C. Moriyama, 16, and J. Ornelas, 16 1-5.

CHINESE WINNERS OVER PARESA'S PLAYERS

Chinese 8, Portuguese 3.
The Chinese have the Indian sign on the Portuguese in spite of the fact that the latter team has been the only one to take the hard-playing Orientals into camp this season, and that on two occasions.

Saturday in a game that lacked features, Sam Hop's aggregation put over four runs in the first, and another four in the seventh, while two in the first and one in the eighth was the sum total of the Parese bookkeeping. The seventh seems to be the one best bet for the Chinese, and it will be noticed that in both Saturday's and Sunday's game they put four men across in this particular frame.

The official attitude of the Amateur Athletic Union in reference to the proposal that amateur and professional be permitted to compete in track and field competition under special sanction is explained by Alfred J. Lill, president of the union, as follows:

"The only motive that could be presented that would justify competition between amateur and professional athletes would be a desire for honors on the one hand and money on the other, and this could never be countenanced by the Amateur Athletic Union without repudiating the very principles of the organization. Never under any circumstances, could the Amateur Athletic Union be justified in giving its sanction or approval to any athletic feature where money would be held out as an inducement in the form of a prize."

LOS ANGELES, Cal. — True to its motto, "Boost," Los Angeles through Rabbi Isadore Myers claims to have given to the world the phrase, "Ish ga Bible." Fight Promoter Tom McCarey claims the distinction. According to the rabbi, McCarey, dickered with Sam Wallace, manager of Leach Cross, caused Wallace to murder "Nicht Ceased," which, in the German, might mean, "Why should I care?" McCarey brightened, and rolled the new phrase about under his misanthropic. It came out, "Ish ga Bible."

"And from Los Angeles it spread to the rest of the world," explained the rabbi with a sweep of his hand.

LONDON—Lloyd's is insuring all Sir Ernest Shackleton's contracts for his expedition at 10 per cent premium. For his previous expedition the rate was 50 per cent.

The new rate is a remarkable tribute to Shackleton. It means in the hard, cold view of a money quotation that the crossing of the Antarctic continent is regarded as practicable, and that Shackleton may do it. Lloyd's remarkable low quotation is based on the perfect arrangements being made by Shackleton.

In England there was in special cases a restraint on corporations or ecclesiastical persons prohibiting the demise of lands belonging to them to the impoverishment of their successors for a term beyond 100 years and such leases were accordingly made for 99 years.—Harper's Weekly.

In 10 rounds for an average of 76.3, J. H. Taylor is rated third, with an average of 76.9 for five tournaments of 14 rounds and 1073 strokes. James Braid averaged 76.3 in five tournaments, totaling 1975 strokes in 14 rounds. Harry Vardon required 10 rounds for an average of 76.3. J. McDermott in the English and American open championships took 10 strokes in eight rounds, giving him an average of 77.8.

Edward Ray was second, with three tournaments for a total of 761 strokes.
